

History in the Making

PDXposed has revolutionized the concept of locally-produced television. PDXposed is the creation of two media great media minds, Jon Olson (Host, Writer and Executive Producer) and Josh Martin (Senior Editor and Cameraman). Over the past four years Jon, Josh and the rest of the PDXposed crew have created a new concept of how television should be presented and produced; fun and positive television of the highest quality.

"I wonder if others who haven't been involved in things like Emmys and TV Hall of Fame and Life Achievement Award events, etc., etc., (as a guest, not a winner) have a real sense of what your nomination means!!!!

~ Marcia Mitchell, AUTHOR

PDXposed has been recognized regionally and nationally by its peers, fans and the television industry. Recently, PDXposed was nominated for the 43rd Annual Emmy awards in its first year of eligibility in the category of "Entertainment Special or Series," and Jon Olson was nominated in the category of "Host/Talent - Non-News." In the last five years, PDXposed is one out of just two Oregon entertainment series' to be nominated, and Jon was the only Oregon host nominated during this time.

The first show aired in January 2004 and is now in its third year. Since its inception, PDXposed has significantly increased its fan base and in November 2006 it will begin earning Neilson Ratings.

"I was up late tonight watching your show 'ON DEMAND'. I have got to say something: IT REALLY ROCKS! wow, the show is soooooo exciting. The stories are interesting, fun, and informative. The camera work and editing is superb."~ Austin Reed, Teen Edition Creator & KPTV Reporter

PDXposed has also earned rave reviews from the press and fans, and it recently entered into a relationship with the Portland-Sapporo Sister City association.
